

Subject: Thanks

Hello and greetings to you all.

Jeff I would like to say that the Board of Management, the Head Teacher and the staff, parents and students of Gorari Primary School have been very thankful that you and I have been the channel for communication and information for their visitors from Sydney, Australia.

On Tuesday the 24th of March, I picked Doctor Genevieve Nelsons and two of her male friends whom are from the KOKODA TREKK FOUNDATION from the airstrip and took them to the hospital guest house where they would reside until the departing date. On the same day of arrival they visited KEBARA primary school for couple of hours then headed to GORARI School which they were welcomed by traditionally costume dressed students.

There were over three hundred people who gathered at the school to welcome Dr Genevieve Nelsons and to see her present the school with scholarships to ten top students and a donation of two thousand kina [1200 dollars]. They had a great time.

Apart from this, I would like to thank you for presenting us with dads WAR certificate which was lost in the fire when the house burnt down in 1954. It's been almost 55 years since it was gone. I'm sure there are more stories to be told as we go on. As for the land cruiser, Dr donated a hundred kina towards its repairs. The truck needs four wheels, fuse box and engine itself is good. Other then that it's just going good for
now

Thanks. We will talk soon.
