Dear Mr Keough

Thank you for your recent correspondence in which you requested financial support from the government of South Australia to assist with the Ambulance Service and Medical Assistance Program in Papua New Guinea.

The Government of South Australia receives many requests for funding of worthwhile projects such as this. As your request is for the support of a highly commendable project, I am pleased to enclose a cheque for \$6,800.00 as a one off support.

Please let me take this opportunity to congratulate Kokoda Angels Inc on the wonderful work they do within, for the Papua New Guinean community.

Yours sincerely
